MATHS LESSON INVITATION – YEAR 2 CLASSES

Dear Parent/Carer

We would like to invite parents to come in to school to watch some maths lessons this half term. We are very proud of our maths in school, producing confident and able mathematicians who achieve very well at the end of Year 2 (in top 10% nationally), and would like to share some of our methods with you. We use Little Big Maths and Big Maths as the broad framework for our teaching, and you will find our complete maths curriculum on the website which will inform you exactly what children are learning term by term across the entire age group.

The open maths sessions will take place on Wednesday 13th and Thursday 14th February at 9.15am. Most children in school will be having direct whole class teaching at this time, and you can watch them working hard in their “CLIC” sessions with the teachers. Nursery provision is continuous and you will be able to see how children learn their maths across all areas of provision. We expect these sessions to last about 20 minutes.

If you would like to attend a session, please let us know by returning the form overleaf. Places will be limited to 15 adults per day per class (only 1 parent/carer per child).

I hope you find the sessions interesting, fun and informative!

Judith Nolan

Assistant Headteacher and Maths Leader.

MATHS LESSON INVITATION – YEAR 2 CLASSES

Please complete and return form below:-

Session:	Preference:
Wednesday 13 th February 2019 - 9.15-9.35am.	
Thursday 14 th February 2019 - 9.15-9.35am.	

Child's Name:.....Class.....

Parent's Name:.....

ALLOCATED DATE AND TIME (to be completed by office)
