FOUNDATION STAGE CONTRIBUTION – AUTUMN 2

During their time in Foundation Stage, children regularly take part in extra activities such as baking, planting seeds, dough and clay work etc. These activities are highly popular with all children.

We request a voluntary contribution of £3.00 each half-term to cover the cost of resources for these activities, such as ingredients for baking, seeds, flour and colourings for dough, replacements for small items which inevitably get broken or lost etc.

Please return your slip with your contribution in an envelope to your child's classroom tin or the school office. We thank you for your support.

If you have already paid the full £18 for the year last half term, please ignore this letter.

Yours sincerely
