

Minutes of Parent Voice 21 November 2019

Thank you to the parents who came this morning.

Ms Lowry asked if parents would post the school open day flyer on their Facebook page. The parents who came said they felt it would be a good way to spread the word.

Mrs Middleton asked how parents were finding the new online form system and the comments were positive. It saves paper and the problem of letters going missing between school and home.

Texts to parents are reducing and all information can be found on the Newsletters or via email from school.

Parents said they felt communication from school to parents is good.

Ms Lowry said we are hoping the Ofsted report will be available by the end of November.

Good news the sickness bug seems to have stopped and thank you to Mrs Wood for doing a deep clean.

Thank you again to the parents who came. Don't forget to look out for our next parent voice and please come along.
