

## **Minutes of Parent Voice 24 January 2020**

Thank you to the parents who came. A parent said how much they enjoyed the Maths information session in school this week and it was good to see the progress the children are making. The new book boxes outside the classrooms are really good. Parents said how much the children are enjoying reading the books. Ms Lowry said she has some picture books that she is sharing with the children and they are loving having the stories read in class and then the children feed back to her about the story. It would be nice to have some more surprise readers coming into school. If you would like to come in please let the office know.

A parent said their child had lost some uniform even though it was named. Sometimes things do turn up but it can take a few days for people to realise they have the wrong item, especially if it is PE clothing.
