		Visit our YouTube channel and listen to the story: Supertato				
Monday	<p>Please look at our YouTube channel for specific phonics sessions.</p> <p>We are now on week 7 but all other phonics videos are there for you to use at your convenience.</p>	<p>Listen to the YouTube story</p> <p><b>Write:</b> What happens in the story?</p>	<p><b>One less than superhero jump:</b> You will need an a4 or a3 sized number line to 20 (adult or child can draw) and a superhero (if you don't have a figurine then draw one) Adult to give child some one less than superhero number sentences such as 10 – 1. Child to find number 10 with superhero and get them to jump one less than to find the answer. Challenge: Number line to 100.</p>	<p><b>Supertato:</b> Make your own Supertato characters with vegetables you have at home. Children love doing this and can use them to recreate the story.</p>		
Tuesday	<p>The sessions do follow on from each other but doing them as standalone sessions is also fine.</p>	<p>Listen to the YouTube story- can you join in with the story?</p> <p><b>Write:</b> Who is your favourite character and why?</p>	<p><b>Superhero 2D shape hunt:</b> The bad guys have shapeshifted into 2D shapes. Can you find them around the house? When the children find a 2D shape see if they can name it and describe it's properties (corners, sides, curvy or straight edges) You might ask your child to record this on a piece of paper as they go. Twinkl has some great shape hunt recording tables.</p>	<p><b>Superhero action training:</b> Adult to call out these instructions to child so they are fit and ready for their superhero duties!</p> <table><tr><td><ul style="list-style-type: none"><li>• Balance on 1 foot for 10 seconds</li><li>• Jump in place x10</li><li>• Leap forward x10</li><li>• Stomp your feet x10</li><li>• Stretch for 10 seconds</li><li>• Walk backwards 10 steps</li><li>• Touch toes x10</li><li>• Hop on one foot x10</li><li>• Gallop x10</li></ul></td><td><ul style="list-style-type: none"><li>• Kneel up tall for 10 seconds</li><li>• Roll in a straight line for 10 seconds</li><li>• Sit and then stand up x10</li><li>• Slide to the right x10</li><li>• Slide to the left x10</li><li>• Twist your body left and right x10</li><li>• Wiggle your body x10</li></ul></td></tr></table>	<ul style="list-style-type: none"><li>• Balance on 1 foot for 10 seconds</li><li>• Jump in place x10</li><li>• Leap forward x10</li><li>• Stomp your feet x10</li><li>• Stretch for 10 seconds</li><li>• Walk backwards 10 steps</li><li>• Touch toes x10</li><li>• Hop on one foot x10</li><li>• Gallop x10</li></ul>	<ul style="list-style-type: none"><li>• Kneel up tall for 10 seconds</li><li>• Roll in a straight line for 10 seconds</li><li>• Sit and then stand up x10</li><li>• Slide to the right x10</li><li>• Slide to the left x10</li><li>• Twist your body left and right x10</li><li>• Wiggle your body x10</li></ul>

Wednesday		<p>Listen to the YouTube story. Can you make up some actions to go with the story?</p> <p><b>Write:</b> Can you write a sentence about what qualities you need to be a superhero? (brave, strong, good)</p>	<p><b>Evil pea hunt:</b> This is a great activity for the children and covers lots of areas. Get some frozen peas and hide lots of them in an outdoor area. Ask your child what they are going to use to catch the evil peas (net, cup, spoon etc). Your child will find as many evil peas as they can and put them in a bucket and then can count how many they have captured.</p>	<p><b>Potato printing:</b> All you need is some potatoes, paint, paper and a knife. Make sure adult carves potatoes and then the child can make anything they want with the shapes and paint (patterns, pictures etc).</p>
Thursday		<p>Listen to the YouTube story</p> <p><b>Write:</b> How did the vegetables feel when they were trapped by the evil pea?</p>	<p><b>Sorting fruits and vegetables:</b> Get a selection of fruits and vegetables and ask your child to sort them. They might sort them into colour groups, size or sweet/savoury. There is lots of ways for them to sort them but get them to try lots of ways.</p>	<p><b>Superhero cuffs:</b> All you need is toilet roll tube, glue, coloured paper or pens and scissors.</p> 
Friday		<p>Listen to the YouTube story</p> <p><b>Write:</b> If you were Supertato, what would you use to trap the evil pea?</p>	<p><b>Vegetable shopping game:</b> Have a look at this great game for kids which really helps to improve their number recognition and counting skills.  <a href="https://www.fantasticfunandlearning.com/vegetable-math-game.html">https://www.fantasticfunandlearning.com/vegetable-math-game.html</a></p>	<p><b>Superduper obstacle course:</b> Now you have all of your superhero accessories you're ready for a superhero mission. The superheroes can practice their superhero skills with a super-duper obstacle course. The course can be created from all kinds of household objects. Some fun ideas for obstacles are can be:</p> <ul style="list-style-type: none"> <li>• Running through hula hoops</li> <li>• Jumping on a pile of cushions or pillows.</li> <li>• Have them limbo.</li> <li>• Shoot a rocket through a hoop or a target. (find cheap rocket guns at the dollar store)</li> <li>• Pop a balloon</li> <li>• Karate chop a bad guy (you can use a cushion or bop bag for the villain)</li> <li>• Climb through a tunnel.</li> <li>• Weave in and out of cones (cones can be anything)</li> <li>• Bust through a wall. Stack up cardboard boxes to make wall.</li> <li>• Spin around on a bat.</li> </ul>
