Phonics:

Spellings: nowhere something somebody everything everybody someone

Feel free to follow along with the Youtube phonics session. It will list these new spellings which you can put into some meaningful sentences as we do usually in a Monday Phonics writing session. It will also give example of sentences using conjunctions. Remember, not all sentences made have to be written down, some can be verbal.

When writing, try to include:

- Different sentence starters (not always I, I, I)
- Include conjunction in statement sentences to extend (because, but, or, so, when, also, that)
- Include any adjectives or extra detail to your sentences
- Can you include a question sentence or a command sentence?
- Check your sentences back and edit anything that needs changing or adding

Spelling Contract Activities:

Reading Fluency: Poetry

My Best Friend

© Abby Jenkins

Published: March 2011

Black and white
Thick and furry
Fast as the wind
Always in a hurry
Couple of spots
Rub my ears
Always comes when his name he hears
Loves his ball; it's his favourite thing
What's most fun for him? Everything!
Great big tongue that licks my face
Has a crate, his very own space
Big brown eyes like moon pies
He's my friend till the very end!

Try to read this passage every day.

Day 1: Read the passage to your child. Chat about the poem. What type of animal is the poem about? Ask your child if there are any words they don't know the meaning of.

Day 2: Read the passage to your child. Can your child spot and read all the verbs and adjectives?

Day 3: Read a line and encourage your child to read it after you.

Day 4: Read the passage together.

Day 5: See if your child can attempt to read the passage. Help and encourage them where needed.

Reading Challenge

See if you can find and read some of these.

- A comic
- A poem
- A recipe
- A non-fiction book
- Some instructions

Writing - Descriptions

Choose a member of your family and write some sentences all about them. Describe what they look like, what they like to do, what their favourite things are, their hobbies and their personality.

Who will you
choose to write
about?

Your home

Describe your home. Write about the different rooms, if you have a garden, what your street looks like.

Don't forget to use different sentence starters and to use adjectives/noun phrases.

Science

Materials We have done lots of work on materials. Now it's time to see what you can remember! You are going to go around your house and find different materials. You can go outside as well. If you can print the attached Scavenger Hunt sheet off then you can use that but if not you can just follow the list below.

Find something:

- Soft
- Hard
- Shiny
- Stretchy
- See through
- Natural
- Liquid
- Bendy
- Spiky
- Smooth
- Bumpy
- Rough
- waterproof

Find something made of:
