

Talk Homework

Welcome to Talk Homework. This is where you receive some information, questions or ideas that we would like you to talk to your child about. It only needs to be done for 5 or 10 minutes. We hope you find it enjoyable and we know it will really benefit your child and help their language development. Why not involve everyone in your household!

Games

What games do you know how to play?

Do you like playing games inside or outside?

Do you think you can make a game up for all your family to play?
