

# Talk Homework

Welcome to Talk Homework. This is where you receive some information, questions or ideas that we would like you to talk to your child about. It only needs to be done for 5 or 10 minutes. We hope you find it enjoyable and we know it will really benefit your child and help their language development.

It is Prince Philip's birthday.

Do you know who Prince Philip is?

Do you know what a prince is?

Can you name any other princes?

Would you like to be a prince or a princess?
