DT	Make Xmas card using Christmas hand tree Christmas Crafts: Printing and collage		Design and make an Easter card with a moving part Design and make a puppet - sewing		Design and make Structures	
Cooking	Bridging and spreading	Cutters and spoons	Measuring liquids	Mix, tear and snip	Mash	Grating
Computing	IT: exploring word, keyboard/ mouse skills Anti-bullying week (Posters) Calendars - Design and make on a Paint program		Algorithms/instructions/link to maths-fractions/animals/cold lands Digital Literacy - E-Safety week Computer Skills: Insert image, type and print		Google Earth and Maps Illustrate a front cover, ICT links with Juniors	
PE	REAL PE- co-ordination, floor, static balance, dynamic balance to agility, balance seated, building stamina Dance		REAL PE- Dynamic balance, static balance-small base, co-ordination skills, counter balance, building stamina, large apparatus, gymnastics		REAL PE- Co-ordination with equipment, agility reaction/response, agility ball chasing, static balance floor work, building stamina Athletics, Tennis and Sports Day skills	
Music	Music Express: Duration Pulse and rhythm Singing and Performance		Music Express: Exploring pitch Exploring instruments and symbols		Music Express: Timbre tempo and dynamics Exploring sounds Singing and Performance	
SEAL	New beginnings	Getting on and falling out Antibullying week	Going for Goals	Good to be me	Relationships	Changes Transition
PSHCE	Mental Health Friendship	Keeping safe/managing risk Indoors/Outdoors	Drug/Alcohol/Tobacco Medicines-Keeping safe	SRE Families	SRE Families	Healthy life styles Health Week
RE	How do Christians celebrate? Harvest, Christmas Hannukah		How can we make good choices?	How and why do people pray? Easter	How can we look after our planet?	Stories Mosque Visit

*Due to the COVID19 pandemic and the ever-changing rules and school absences, our long-term plan will be changed when and where required. We are also teaching the missed units of Literacy, Maths and Phonics from Year 1 during the March-July Lockdown. We will intertwine Year 2 content in but mainly start the Year 2 curriculum once we are confident all children have caught up on the basic skills, to aid progression more seamlessly.
